### TOP SECTORS OF PORTFOLIO

Information regarding the Fund's distribution policy and the most recent quarterly report, which contains a more extensive list of holdings, is available by calling 800-GABELLI (800-422-3554). The distribution rate is not representative of dividend yield or the total return of the Fund and has historically included a return of capital. After the end of the calendar year, the Fund will send individual shareholders with taxable accounts a Form 1099-DIV that will tell you how to report the year's distribution for federal income tax purposes.

To participate in the Dividend Reinvestment Cash Purchase Plan please contact Computershare at (800) 336-6983.

(a) Performance returns for periods of less than one year are not annualized. Returns represent past performance and do not guarantee future results. Investment returns and the principal value of an investment will fluctuate. The Fund's use of leverage may magnify the volatility of net asset value changes versus funds that do not employ leverage. When shares are sold, they may be worth more or less than their original cost. Current performance may be lower or higher than the performance data presented. Visit [www.gabelli.com](http://www.gabelli.com) for performance information as of the most recent month end. The S&P 500 is an unmanaged indicator of stock market performance. The Dow Jones Industrial Average is an unmanaged index of 30 large capitalization stocks. Dividends are considered reinvested. You cannot invest directly in an index.

(b) Total returns and average annual returns reflect changes in the NAV per share and reinvestment of distributions at NAV on the ex-dividend date and adjustments for rights offerings and spin-offs and are net of expenses. Since inception return is based on an initial NAV of \$19.06.

(c) Total returns and average annual returns reflect changes in closing market values on the NYSE, reinvestment of distributions and adjustments for rights offerings and spin-offs. Since inception return is based on an initial offering price of \$20.00.

Investors should carefully consider the investment objectives, risks, charges, and expenses of the Fund before investing.
